

## **Blackout**

Verse 1:

You can drive me crazy  
You can drive me wild  
When you look at me  
I blackout for a while

Your intoxicating  
And just with a smile  
You can knock me down  
Or shot me out of the sky  
You  
I wanna make you feel like I  
Do

Chorus:

So tell me how  
Can I make you fall in love  
Make you feel an instant rush  
Make you blackout like I do  
When I think of you  
Look so stupid when your near  
And the only thing that's fair  
Is that you blackout like I do  
When I think of you  
Think of you  
Think of you  
Think of you

Verse 2:

Have you ever felt like  
You were made of stone  
Looking dumb and crazy  
Stumbling down the road  
I can't figure you out  
Or the words to say  
Cause everytime you look at me  
I get in my way  
You  
I wanna make you feel like I  
Do

Chorus:

So tell me how
