It Tears Me Apart

Verse 1:

You're my schoolyard princess
A girl who never breaks her heart
and she know she knows she knows
Whooo

And you don't need to show off
I'm in love with the way you are
I know I know I know
Whooo

And I don't think I'll make it, I can't take it whenever she's around
Aiming at the target, with her arrow, she keeps knocking me down

Chorus:

It tears me apart
that she can't even see me
Where do I start
cause she don't even know me
She's off the charts
and the way she's walking by it's like a shot to my heart

Verse 2:

Cause I'm the one who wants you
but I don't know where to start
I don't know don't know don't know
Whooo

I wanna shout from the rooftop
I wanna scream your name out loud
I'm in love in love in love
Whooo

And I don't think I'll make it, I can't take it whenever she's around
Aiming at the target, with her arrow, she keeps knocking me down

Chorus:

It tears me apart
that she can't even see me
Where do I start
cause she don't even know me
She's off the charts
The way she's walking by it's like a shot to my heart

Bridge:

If I could, then I would

Let you feel my heartbeat

I don't mind, I'm the kind who

live for every moment

The way I see, it's you and me

but baby you don't know it

We can never ever go wrong
