

New Years Eve

Verse 1:

We're standing on the rooftop
just waiting for the lights
I'm so excited
cause you're here with me tonight

I always wanted you
long before New Years Eve
but now I have the moment
to seal it with a kiss

Chorus:

I don't want to kiss no other girl
All I need is your lips
and I don't want to start a new year
without your kiss
10 9 8 - I hope you know that
7 6 5 - that you're my world
4 3 2 1 - don't wanna kiss no other girl

Verse 2:

I'm driving to a party
It's were you're gonna be
And when it's midnight,
I'll drag you into me

I always wanted you
long before new years eve
but now I have my moment
to seal it with a kiss

Chorus:

Cause I don't want to kiss no other girl
All I need is your lips
and I don't want to start a new year
without your kiss
10 9 8 - I hope you know that
7 6 5 - that you're my world
4 3 2 1 - don't wanna kiss no other girl

Bridge:

This will be the year I'll get you oh oh oh
Hold on to this feeling down let go go go
