Right Now

Verse 1:

I see you there
it's clear to me
your eyes are closed
But I ain't going nowhere no

It's up to me
to make you feel
my love again
so I ain't going nowhere no
I can make you feel it right now

Chorus:

I can see your heart
And I promise I will fight cause I'm stronger now
and I won't let you go
you're the only one that makes me feel alive
I can make you feel it right now

Verse 2:

I'll put you first
every time
and this I swear
I ain't going nowhere no

You're all I got
You make my day
I'm standing here
And I am gonna show you how
I can make you feel it right now

Chorus:

I can see your heart
And I promise I will fight cause I'm stronger now
and I won't let you go
you're the only one that makes me feel alive
I can make you feel it right now

Bridge:

I'm never never gonna let you go
tonight's the night I'm gonna to let you know
Don't let us fall into past control
I can finally see you now
