

# Work

Remember the first time you went to a show and saw your favorite band. You wore their shirt, and sang every word. You didn't know anything about scene politics, haircuts, or what was cool. All you knew was that this music made you feel different from anyone you shared a locker with. Someone finally understood you. This is what music is about. Jazz is smooth and cool. Jazz is rage. Jazz flows like water. Jazz never seems to begin or end. Jazz isn't methodical, but jazz isn't messy either. Jazz is a conversation, a give and take. Jazz is the connection and communication between musicians.

If you want to be a rock star or just be famous, then run down the street naked, you'll make the news or something. But if you want music to be your livelihood, then play, play, play and play! And eventually you'll get to where you want to be.

The XYZ Doohickey Company was founded in 1971, and has been providing quality doohickeys to the public ever since. Located in Gotham City, XYZ employs over 2,000 people and does all kinds of awesome things for the Gotham community.
