

My Girl

Verse 1:

You're hypnotic
when you're doing what you do
I'm being honest
when I say you got the moves
I'm going crazy
you're the only one I want
You blow my mind every time

I'll bring you flowers
I will pick you up at home
Take you out dancing
and when we are alone
I say hey baby you're the only one I want
You blow my mind every time

I know I know I know I know
I'm falling so hard for you
So come on come on come on come on
let's set the world on fire

Chorus:

Every little thing you do, it gets me, and I just wanna be with you, you get me
Everybody knows, you're my girl
Everything about you makes me wanna smile
I'll never find another you, in a million miles
Everybody knows, you're my girl

Verse 2:

Cause you are perfect
and I'm so lost in your eyes.
when you're laughing
you got the cutest smile
It feels like heaven
when you kiss me on the lips
You blow my mind every time

I know I know I know I know
I'm falling so hard for you
So come on come on come on come on
